for life

Type II Program Forfeited Land Sale

INSTRUCTIONS & OFFER TO PURCHASE FORM
FOR FORFEITED LAND TRACTS
AVAILABLE TO THE GENERAL PUBLIC

TEXAS VETERANS LAND BOARD ♦ GEORGE P. BUSH, CHAIRMAN
TEXASVETERANS.COM

INTRODUCTION

Type II Program

If a veteran defaults on the loan, the loan is forfeited, and the tract is first offered for sale in a forfeited land sale to eligible Texas veterans. Tracts that are not sold in our quarterly forfeited land sales in January, April, July and October are available to veterans and the general public (non-veteran), as a Type II tract. Type II tracts will be offered for sale to buyers whose offer to purchase meets or exceeds the listed price on a first come first served basis. The offer to purchase may be submitted through a licensed Texas real estate professional chosen and paid by the buyer. **Use of a real estate professional is not required.**

Forfeited Lands

This handbook deals with tracts of land the Veterans Land Board is making available to the general public. At any time, the VLB may accept any offer for any tract that meets or exceeds the minimum amount specified for the tract. The current list of available tracts can be found at our Web site: www.glo.texas.gov/vlb/veterans-benefits/forfeited-land-sales. The list is searchable by county or tract number for ease of use.

Further Information

This handbook describes the basic features of the program. The staff of the VLB stands ready to assist you. Please review the handbook and call the VLB's staff with any questions you may have. In compliance with the Americans With Disabilities Act, alternate formats of this handbook are also available upon request. Any inquiries should be directed to:

Type II HANDBOOK

Introduction

Throughout this handbook, the terms “bid” and “offer” are synonymous and may be used interchangeably. The information contained in this handbook describing tracts is intended to assist you in submitting an offer to purchase. The VLB has tried to ensure the accuracy of each tract’s availability status; however, a tract may be withdrawn by the VLB at any time, for any reason. Also, information on a specific tract may be updated as better information becomes available. Before submitting an offer, please call 1-800-252-VETS or check our Web site: www.glo.texas.gov/vlb/veterans-benefits/forfeited-land-sales to verify that the information on the tract is current (for example, directions for driving to the tract), and that the tract is still available for sale.

Attention

Veterans

An eligible veteran submitting an offer to purchase a Type II tract may request a loan from the VLB. Any request for a loan will be processed as a mortgage loan, with a note and deed of trust. **All veteran applicants requesting VLB financing are subject to VLB credit approval.** A down payment of not less than 5% of the minimum amount, as listed on our website, will be required at closing. As a condition of financing the VLB may require additional down payment. All costs of purchasing the land and obtaining a loan, including all closing costs, will be the responsibility of the buyer at closing. **Any amount offered over the minimum must be paid at closing if you decide to use VLB financing.** All loans will require an owner’s title insurance policy in the name of the buyer and a mortgagee’s title policy in the name of the VLB paid by the buyer. Closing will be at a Title Insurance Company. VLB financing requires a \$75.00 contract fee that must be paid by the buyer.

Example:

Minimum Price Listed:	\$40,000.00
Your Offer:	\$41,250.00
Maximum Loan Amount:	\$38,000.00
Amount Due at Closing	\$3,250.00

VLB Will Finance 95% of the listed price; a down payment of 5% is required at closing.
 $\$40,000.00 \times 5\% = \$2,000.00$

Amount offered over and above the listed price:
 $\$41,2250.00 - \$40,000.00 = \$1,250.00$

Amount over listed price + 5% of the minimum offer amount = Amount Due at Closing
 $\$1,250.00 + \$2,000.00 = \$3,250.00$ is required at closing

Non-veterans

VLB financing is now available to non-veterans. Non-veterans submitting an offer to purchase a Type II tract may pay for the land in cash, or may obtain VLB financing. VLB cash sales require a \$75.00 deed preparation fee to be paid by the buyer. **The buyer has 10 days to complete the transaction.**

Non-veterans requesting VLB financing must meet Veteran financing requirements, however the interest rate will be at the non-veteran interest rate.

Notices

- ★ The Texas Veterans Land Board cannot issue or make any representations about the condition or value of the lands being offered for sale. The tracts are offered for sale “as is”, without warranty, with any and all latent and patent defects. As of the date of closing, the buyer should have inspected the physical and topographic condition of the land (including the improvements located thereon, if any) and shall accept title to the same “as is” in its existing physical and topographic condition. By closing, the buyer acknowledges that s/he is not relying upon any representation, warranty, statement or other assertion of the VLB or any official, agent, representative or employee of the foregoing, with respect to the land condition, but is relying on the buyer’s own examination of the tract. **THE VLB DISCLAIMS ANY AND ALL EXPRESS OR IMPLIED WARRANTIES, AND SPECIFICALLY MAKES NO WARRANTIES OF HABITABILITY, OR ANY OTHER WARRANTY WHATSOEVER.**
- ★ Buyers must satisfy themselves about the location and shape of tracts, mineral reservations, and other matters that might affect their decision to purchase the tract. Buyers must satisfy themselves as to the status of title. Buyers are hereby put on notice that any prior grant and/or encumbrance may be of record, and buyers are advised to examine all public records available regarding the tracts. Defects in title must be brought to the attention of the VLB prior to closing, and that shall be grounds for releasing buyers of the obligation to purchase from the VLB. The VLB is sole judge of the seriousness of any alleged defects. No other grounds will be considered as reasons to release a buyer from the obligation to purchase tracts from the VLB. State law requires that the Board shall keep the fees submitted by a buyer who refuses the award of a tract from the Board. (N.R.C. Chapter 161.319c)
- ★ By submitting an offer, the buyer agrees to comply with all the provisions of the handbook, the Veterans Land Act (Chapter 161 of the Natural Resources Code), and the Rules of the Board.
- ★ Under no circumstances may any timber or anything of value be removed from the tract. No fences may be cut for access or any other reason.
- ★ If anyone interferes with the access to a tract, you should contact the VLB immediately.
- ★ Submission of all required documents, including military documents and an Affidavit of Texas Residence (if applicable), will speed up the processing and closing of the loan.

Description Of The Type II Program

Listing Agreement

This program does not involve a listing arrangement with any real estate agent. However, the offer to purchase may be submitted through a licensed Texas real estate professional selected and paid by the buyer. In submitting an offer to the VLB, that real estate agent is acting as the agent of the prospective buyer. **Use of a Real estate professional is not required.**

Offers

Type II tracts will be offered for sale to buyers, meeting or exceeding the minimum asking price, on a first come, first served basis. An offer to purchase that is received after the first offer will be considered a “back up” offer. In the event the initial buyer backs out of the transaction, or the transaction for some other reason does not close, the property will then be offered for sale to the back up offeror in the order the offers were received. The VLB may reject any and all offers for any reason. Offers are initiated by executing and submitting the VLB Offer to Purchase form. The VLB will review the offer to purchase and either accept or reject the offer. Once accepted, an offer may not be withdrawn without forfeiting deposits. Offers will be reviewed immediately upon receipt and accepted or rejected as soon as possible (typically within three days after receipt).

Restrictions

The VLB will not accept an offer from any party who has previously defaulted on a loan with the VLB. If a buyer is more than 30 days delinquent in child support payments, he or she will not be eligible to receive a loan from the Veterans Land Board until such time as all delinquencies have been paid, or the buyer is in compliance with a written repayment agreement or court order.

Contingent Offers

No offer submitted to the VLB may be made contingent upon any other person, event, or thing.

Personal Inspection

Every buyer is urged to personally inspect a tract before submitting an offer, since offers may not be withdrawn without liability. By making an offer, the buyer acknowledges that he or she wishes to purchase the tract “as is” and understands that the VLB makes no representations about any matter, including, but not limited to, access, mineral estate, quantity of acreage, location and shape.

Credit Check

A buyer requesting VLB financing must qualify for a loan for at least the minimum amount listed on our website, up to the maximum loan amount of \$100,000.00.

Property Description and Survey

The VLB will use the property description (field notes or lot and block) that was used in the prior transaction. A copy is available upon request. No new survey will be ordered or paid for by the VLB. The bidder that is awarded the tract is encouraged to have the property surveyed.

Title Policy

The VLB requires title insurance policies on all tracts of land financed through the Texas Veterans Land Program. This insurance policy obligates the issuing title company to defend problems regarding the title that began or existed prior to the VLB’s financing. A mortgagee and owner’s policy are also required, at buyer’s expense.

Closing Timeframe

Closing typically takes place within 30 days. Missing or incomplete paperwork will delay closing.

Floodplain Insurance

Buyers should verify whether or not the property lies within a floodplain. The VLB does not have floodplain information on every tract. Buyers should check with the County Appraisal District for that information. If a tract lies in a floodplain, it may affect the use of the property. It may be necessary to obtain flood insurance in order to build on the property.

Property Maintenance Fees

Some properties in this program may be subject to assessments for maintenance of common areas, roads, etc. These assessments (or dues) are typically paid to the developer or to a local property owners association. They may be collected by counties, schools and other governmental entities. The Veterans Land Board is not responsible for paying such assessments, including any past due amount. The buyer is responsible for paying any past due fees.

Symbols On Plat

Use the legend below to interpret the surveying symbols drawn on the tract descriptions.

Note: The symbols are provided solely to help you locate the tract. They do not guarantee that an item will be included in the sale.

Terms Of The Sale

Purchase Price

The VLB sets the minimum offer it will consider. The amount financed, after credit approval, will not be more than 95 % of the minimum amount listed, up to \$100,000.00.

Commission

If the buyer elects to use the services of a licensed Texas real estate professional, any commission shall be the sole responsibility of the buyer.

Taxes

The VLB will settle outstanding taxes, penalties, and interest that accrued or were assessed *prior* to the year in which the buyer's loan closes. No taxes should be assessed for the period during which a tract is held exclusively by the VLB.

The sale of a repossessed tract by the VLB may also trigger rollback taxes. Rollback taxes are assessed when a change in the *use* of the property occurs and in some instances solely because of the sale of the property.

The VLB will settle any rollback taxes assessed *prior* to the year in which the buyer's loan closes.

The buyer is responsible for taxes that accrue or are assessed during and after the year in which the loan closes. If rollback taxes are triggered during or after that year, the buyer will be responsible for paying those taxes, *even if the rollback assessment includes years prior to the year in which the buyer's loan closed.*

The VLB strongly encourages the buyer to follow up with the county and school district tax offices to make sure the tax rolls have been updated after the loan closes.

An additional amount to be escrowed for taxes will be required as part of the regular monthly payments on any new loan.

Down Payment

A down payment of not less than 5% of our minimum amount is required. As a condition of financing, the VLB may require additional down payment.

Interest Rate

Check our Web site for current interest rate for qualified veterans. Non-veterans may purchase tracts, with VLB financing. The non-veteran interest rate is one percent greater than the current veteran interest rate.

Term

The amount financed shall be paid in monthly loan installments for 30 years. Late payments are assessed a late charge. There is no penalty for prepayment of principal.

Cash Sales

When paying cash the buyer will receive an award letter and an "As Is" Affidavit form. The buyer must return a cashier's check for the full purchase price, the \$75.00 deed preparation fee, and the signed and notarized "As Is" Affidavit. Upon receipt of all items the VLB will prepare a deed conveying the tract to the buyer. **The buyer has 10 days to complete the transaction.**

Refunds

The \$75.00 fee will be refunded if an offer is rejected. If an offer is accepted and the buyer fails to complete the purchase for any reason, the fee will be forfeited.

Assignments (Loan Assumption)

If the buyer qualifies for a loan, the loan is not assignable for three years. A request for a waiver of this requirement is subject to certain statutory requirements. Waivers are generally granted only upon a showing of extreme financial incapacity. *Failure to obtain approval of an assignment can result in loss of the tract and all loan payments.*

VLB Financing Loan Steps

Please follow these steps to initiate an offer:

1. Use the VLB Offer To Purchase Form

The buyer(s) *must* use the form provided by the Veterans Land Board for the Type II program. You may print additional copies of the form from the Web site, or request additional blank forms from the VLB. *Other forms may not be substituted.*

2. Verify Tract Availability

Please call 1-800-252-VETS or check our Web site: www.glo.texas.gov/vlb/veterans-benefits/forfeited-land-sales to verify that the tract is still available for sale.

3. Locate Tract

Use the tract descriptions and driving directions found on our Web site. A sign displaying the tract number was posted on each tract at the time the VLB inspected the tract.

If you have trouble locating the tract using the description and directions we provide, follow these steps to get help from the County Appraisal District (CAD) office in the county where the tract is located:

- ★ Identify the *volume* and *page* number of the tract's Warranty Deed. You'll find this information in the *Legal Description* section of the tract description.
- ★ Contact the County Clerk's office in the county where the tract is located. (The County Clerk's office is usually in the town that serves as the county seat.)
- ★ Request a copy of the *field notes* and/or *plat*. (You may be charged a small fee for the copy.)

- ★ Take the tract description, the field notes/plat to the CAD office. Ask to speak to the CAD employee(s) familiar with surveying, field notes/plats, etc. They should be able to help you locate the tract on a county map.
- ★ If you are still unable to locate the tract, call our toll-free number 1-800-252-VETS and ask to speak to our Appraisal Department.

4. Submit Offer

The VLB will review the *offer to purchase and either accept or reject the offer*. Once accepted, an offer may not be withdrawn without forfeiting deposits.

5. Processing

After the offer is accepted the VLB will send an application packet to the buyer. This will include an earnest money contract, loan application and other required documents. Once all the documents are signed and returned, the VLB will forward a copy of the earnest money contract and any riders, to the designated title company for a title insurance commitment. (Buyers may designate a title company of choice when the packet is submitted.) After the title insurance commitment is received and reviewed, the file is ready for closing. Please note that the title insurance commitment may raise additional requirements that must be satisfied at or before closing. Buyers are not authorized to occupy or take possession of the property until the process is completed and the transaction is closed.

Description of Required Offer To Purchase Form

The VLB has prepared this form for submitting offers. The VLB will not accept alterations or substitutions. Additional copies of the required form may be obtained free of charge from the VLB upon request or printed off the Web site.

All Buyers

All buyers must submit the following document (included in this handbook):

Offer To Purchase

The requirements described in this handbook are reproduced in the Offer To Purchase form. The Offer To Purchase also sets forth the prospective buyer's offer. The buyer and the real estate agent, if applicable, must execute it in order to make a valid offer.

All VLB loans are subject to credit approval.

Buyer's Personal Use

Buyers requesting a loan must affirm that the purchase is being made for his or her own personal use. The Buyer's Declaration of Personal Use form which will be provided to the buyer with the application documents must be completed by the buyer and returned to the VLB.

Future Services

After a loan is closed, some services requested of the VLB require the payment of a fee. The amount of the fees are subject to change. Buyers should call the VLB for more detailed information concerning any service offered by the VLB.

Release of Lien

When a VLB loan is paid in full, the VLB will prepare the Release of Lien.

Partial Release Fee

If the buyer wishes to have a portion of the tract released (for a home site) before the loan is paid in full, the estimated cost of a partial release will be calculated free of charge, upon request. The VLB charges a fee to issue a partial release.

- 3. Financing:**
Check one

_____ I will pay cash or obtain other financing. I have 10 days to complete the transaction.

_____ I am requesting financing from the VLB

____ Veteran interest rate for qualified Texas veterans

Non-veteran interest rate

Buyer may purchase the tract for cash or obtain financing from another lender. The VLB can only finance a maximum of 95% of the minimum amount listed up to \$100,000.00. If using VLB financing the VLB will send Buyer an application packet consisting of an earnest money contract, a Universal Residential Loan Application (Fannie Mae Form 1003) and other documents to complete, sign, and return to initiate the processing of the loan. Buyer will also provide documentation showing that Buyer is an eligible veteran as defined by the VLB. After an application packet is signed and returned, the VLB will forward a copy of the Contract and any Riders to the designated title company for a title insurance commitment. (Buyers may designate a particular closing agent when packet is submitted.) The title insurance commitment may raise additional requirements, such as a new survey, that must be satisfied at or before closing.

Buyers are not authorized to occupy or take possession of the property until the process is complete and the transaction closed.

VLB financing is subject to credit approval. Buyer hereby authorizes buyer's credit report to be obtained by the VLB.

Buyer further acknowledges and agrees that if the VLB accepts this bid, Buyer will execute all documents required by the VLB. Should Buyer refuse to execute the required documents, any fees submitted will be forfeited in accordance with Section 161.319(c) of the Texas Natural Resources Code.

4. **Property Condition:** Buyer agrees to accept the property "as is." Buyer understands the VLB makes no representation about either the physical condition of the property or the status of its title.
5. **Taxes:** If this bid is awarded to Buyer, Buyer agrees to pay all taxes due for the current year, as well as all future taxes and assessments. If this sale or Buyer's use of the property after closing results in the assessment of additional or rollback taxes, such additional taxes shall be Buyer's obligation, and shall survive closing.
6. **Closing:** After reviewing the title insurance commitment and determining that the buyer qualifies, the VLB will schedule a closing with the title company. The VLB requires title insurance policies on all tracts of land financed through the Texas Veterans Land Program. The VLB has a survey of the property, but the title company may require a new survey. The Buyer will have to pay the down payment and all closing costs at closing, including the cost of the title policies and if necessary, a new survey.
7. **Cancellation:** If the reason for canceling this bid is approved by the VLB, all monies, shall be returned to Buyer.
8. **Other Terms and Conditions:** Upon this bid being awarded to Buyer, Buyer agrees to purchase the property in accordance with provisions of this Handbook, the Veterans Land Act and the Rules and Regulations of the VLB, as they may be amended from time to time. Buyer fully understands that the VLB is the sole judge of the acceptability of any bid and **may reject any bid until all VLB requirements are met and the loan is closed, for any reason**, including, but not limited to, failure to fully complete the bid form, any defect in notarization, failure to timely receive bids, failure to provide the contract fee, or failure to sign bid form. The VLB may, at its discretion, waive any defects and thereby bind all parties to the terms of this bid.
